IMPORTANT INFORMATION ABOUT THE DESERT

- The desert is very hot and dry, and it is easy to overheat. Here are a couple of tips:
 - Carry a water bottle with you everywhere you go.
 - Constantly drink or sip water.
 - Bring plenty of sunscreen and reapply.
 - Bring a hat to wear, as the sun is very intense.
 - When drinking alcohol, make sure to drink at least a glass of water between each drink.
 - Constantly drink water –
- REMEMBER – when you start to feel thirsty, it is too late – it is very easy to suffer heat stroke.
